CARPENTIER SAILS HOME WITH HEALTHY BANK ROLL---MAN O' WAR BREAKS WORLD RECORD AT AQUEDUG

GEORGES SAILS, MUCH RICHER

French Champion Says He Will Return in September. Likes American Girls.

New York, July 10 .- Heavier by about \$150,000 than when he came here several months ago on a widely advertised tour after the scalp of Jack Dempsey, Georges Carpen-tier, poilu hero and the heavyweight champion of Europe, returned home today on La Loraine. With him were his wife, Mme. Carpentier, and his manager, Francois Descamps, who took off his war paint here this week when con-

fronted by Jack Kearns, manager of Dempsey.
Of far different attitude than when they arrived here, the French-men would not speak of a probable bout with Dempsey for the world's championship.

"We are coming back in Septemher to fight Battling Levinsky," Descamps said when pressed for "professional talk."

"The people are nice and the girls beautiful. Boxers are fighters. I also like the motion picture work I was in," said Carpentier.

Speaker Sets Mark for Consecutive Hitting

Old American League records are being broken with remark-able frequency this year. Now comes Tristam Speaker, manager of the Cleveland team, with a new mark for consecutive hits. By getting a hit on his first trip up in the first game yester-day he registered his eleventh safe one in as many times at bat. This surpasses the former league record of nine made by Doc Johnson of the same team last year and ties the National League
